Development

(2021 - 2024)

VOLUNTEER

Opportunity Village

Thrift Store

- Helped organize clothing/items from the racks.
- Picked up anything that fell and reorganized it back onto the shelves.
- Assisted customers with questions and finding items.

Magical Forest

- Helped guests with questions and directions.
- Responsible for directing guests on where to line up for rides and around the train tracks.

ABOUT ME

I'm a first generation Asian-American student currently finishing up my last semester in college. I'm due to graduate in Spring 2024. While I have no work experience, I'm a quick learner and am adaptive. I'm also eager to get more experience to further my knowledge on web development and advance my career.

SKILLS / LANGUAGES
